

Welcome to Rhino Netball Australia (Rhino).

Rhino is a fully owned and operated Australian company that is building on the heritage of Rhino Sport and Leisure, one of the world's leading sporting brands.

Rhino is about the players, the coaches and the administrators of Australian Netball. The people who are giving their time and putting their effort into the sport they love. We believe our range of product aids in the development of players, with resultant improvements to the club or school they represent and ultimately enriching the sport they play.

Rhino is the embodiment of Australian Netball's "One Stop Shop". Providing a complete range of specialised equipment, balls, teamwear, apparel and medical and physio supplies to schools and sporting organisations, ranging from the elite to the grass roots.
